**SPECTACULAR SHEEP**

### HIDE AND WOOL
- artist brushes
- asphalt binder
- Band-Aids
- baseballs
- blankets
- bush
- bone graft implants
- carpet
- caskets (in the UK)
- chair covers
- chamois cloth
- clothing
- drum heads
- fabrics
- felt
- footwear
- gloves
- mitten soles
- hide glue
- insulation
- lanolin
- leather
- luggage
- mattress filling
- ointment base
- pads used to soak
- up oil
- paint
- pelt products
- pillows
- plaster binder
- pool table baize
- rug pads
- shoes
- sports equipment
- surf boards
- tennis balls
- textiles
- upholstery
- woolen goods
- yarn

### FATS AND FATTY ACIDS
- 40% of the fat found in lamb is monounsaturated – the same kind found in olive oil
- LOIN
  - Lamb is an Excellent source of vitamin B12, niacin, zinc, & selenium
- BACK/RIB
  - Lamb is an all natural product, raised without hormones.
- ON HIND LEG: CHUMP Lean
- ON HIND LEG: LEG Nutritious
- FLANK (LAMB BACON) satisfying
- NECK
  - 3 ounces: 8g total fat
  - 3g saturated fat
  - 80 mg Cholesterol
- SHOULDER
  - A 3 ounce serving of lamb provides nearly 5 times the omega 3 fatty acids and alpha l linoleic acid as a 5 ounce serving of beef.

### BONES, HORNS, HOOVES
- abrasives
- adhesives
- adhesive tape
- bandage strips
- bone charcoal for high grade steel
- bone charcoal pencils
- bone china
- bone jewelry
- bone meal
- buttons
- cellophane wrap and tape
- collagen and bone for plastic surgery
- collagen cold cream
- combs and toothbrushes
- conditioner
- crochet needles
- dice
- dog biscuits
- emery boards and cloth
- fertilizer
- gelatin capsules
- gelatin desserts
- glycerin
- horn and bone handles
- ice cream
- laminated wood products
- marshmallows
- neatsfoot oil
- paneling
- pet food
- phonograph records
- photographic film
- piano keys
- plywood
- potted meats
- rose food shakes
- shampoo
- steel ball bearings
- syringes
- wallpaper
- wallpaper paste

### MILK
- cheese
- milk
- yogurt
- antifreeze
- biodegradable
- detergents
- candles
- ceramics
- chemicals
- chewing gum
- chicken feed
- conditioner
- cosmetics
- crayons
- cream
- dish soap
- dog food

### INTESTINES
- instrument strings
- sausage casings
- surgical sutures
- tennis racket strings
- antifreeze
- biodegradable
- detergents
- candles
- ceramics
- chemicals
- chewing gum
- chicken feed
- conditioner
- cosmetics
- crayons
- cream
- dish soap
- dog food

### LANOLIN
- auto lubrication
- cosmetics (lipstick, mascara, lotions, shampoo, conditioners)
- motor oils
- pharmaceuticals
- printing ink
- Vitamin D

### MANURE
- minor minerals
- nitrogen fertilizer
- phosphorus
- potash

### BLOOD
- agar for culturing bacteria
- antidote for overdose Digoxin (heart medication)
- CytoFab (Control of septic Shock)
- North American Rattlesnake Anti-venom

### MINOR MINERALS
- nitrogen fertilizer
- phosphorus
- potash
- calcium

### NITROGEN FERTILIZER
- phosphorus
- potash

### PHOSPHORUS
- potash

### POTASH
There are 300,000 Sheep In Utah.
